A. Introduction

A1. Welcome to Blue Choice PPO

Use this directory to find the doctors, health care professionals and hospitals that participate in the Blue Choice PPO network. The Blue Choice PPO participating providers are listed by category. This directory also includes information to help you manage your health care and use your benefits wisely.

Your plan

Your health plan contracts with doctors and facilities to treat its members at discounted rates. These providers make up a plan's network. You can go to any doctor or facility you choose, but your costs will be lower if you use one in the plan's network.

Your plan's network

Your health plan must have enough doctors and facilities within its network to provide every service the plan covers. This is called "network adequacy." If you can't find the care you need, ask your health plan for help. You have the right to receive the care you need under your in-network benefit.

If you don't think the network is adequate, you can file a complaint with the Texas Department of Insurance at www.tdi.texas.gov or by calling **1-800-252-3439**.

Health care costs

You can ask health care providers how much they charge for health care services and procedures. You can also ask your health plan how much of the cost they'll pay.

Using this Directory to Find a Blue Choice PPO Participating Provider

This directory consists of El Paso county(ies).

For other Blue Choice PPO participating providers not listed in this directory, call Customer Service at **1-800-521-2227** or you can go online to Provider Finder® at www.bcbstx.com for the most up-to-date list of Blue Choice PPO participating doctors and hospitals.

Each time you or a covered family member needs medical care, use this directory to find Blue Choice PPO participating providers, such as:

- Doctors for routine and preventive care (check the listings for Primary Care Providers)
- Hospitals
- Specialists or other health care providers

Primary Care Providers are available for most routine and preventive care, while specialists generally practice only in the fields where they're listed in the directory.

To provide corrections or updates to the provider information in this directory (such as the provider's contract status or whether the provider is accepting new patients), please call Customer Service at 1-800-521-2227 (Monday through Friday from 8 a.m. to 8 p.m. Central Time).

More Information Is Just A Click Away

The name, address, telephone number, specialty, website and network status information contained in this provider directory was accurate on the date it was published. Providers may leave or join networks or their information may change. Network providers may not be listed in this version of the directory if the provider has not verified the accuracy of their information within 90 days of the time of printing. Please go to our website at www.bcbstx.com to obtain the most current provider directory information. BCBSTX members can also log into Blue Access for Members? or call the number on the back of your ID card. If you are not a member, you can call Customer Services at **1-800-521-2227**. Always check with your provider to confirm location and network status prior to obtaining services. To report inaccurate information, send it to Provider_Directory_Changes_TX@bcbstx.com.

If You're Thinking About Enrolling

If you're considering a health plan that uses the Blue Choice PPO network, read the following instructions to learn more about getting care from Blue Choice PPO participating doctors and providers. Then review the directory to find Blue Choice PPO participating providers in your area. Chances are the doctors and hospitals you want to use are in the network.

Providers Joining the Network or Location

The dates located under the provider's information indicate that the provider will be joining the network and/or location soon. Services provided may not be covered until the provider is active in the network.

Providers Leaving the Network or Location

The dates located under the provider's information indicate that the provider will be leaving the network and/or location soon. Services provided after departure will be out of network.

Provider Finder

For the most up-to-date information, check Provider Finder at www.bcbstx.com

A.2 Helping You Keep Healthy and Control Costs

We offer coverage for preventive care services that can help you keep healthy and identify health problems at an early stage. Preventive care benefits include coverage for services such as physical exams, well-woman exams and immunizations.

When you become a member, we give you information and tools at www.bcbstx.com to help you manage your health and control costs. Get the latest in health information and tools through Blue Access for Members. Improve your overall health, learn how to manage a chronic health condition or prepare for a specific medical procedure with easy-to-use health and wellness information, tips, quizzes and tools.

Behavioral Health Services

Participating behavioral health and chemical dependency professionals and physicians are also listed in this directory. However, before seeing a behavioral health professional or physician, you must preauthorize your care by calling **1-800-528-7264**. Blue Cross and Blue Shield prior authorizes services and helps you select a participating behavioral health professional or physician.

Coverage Outside of Texas

If you're out of state and need care, you and your covered family members can receive covered care almost anywhere in the country from Blue Cross and Blue Shield participating doctors and hospitals through the BlueCard® Program.

To find a list of participating doctors and hospitals in the BlueCard program within the United States and around the world, go to the BlueCard Doctor and Hospital Finder at www.bcbs.com. If you are a member, you also can call our dedicated BlueCard line at **1-800-810-BLUE** (2583) and speak with a BlueCard customer service representative.

What to Do in an Emergency

In an emergency, call **911** or seek help from any doctor or hospital immediately. You're covered no matter where you go. You, your doctor, the hospital or a family member must then call Blue Cross and Blue Shield of Texas (BCBSTX) at the number on your member ID card during the first 48 hours of the emergency visit.

To arrange for emergency behavioral health services and pre-certify behavioral health inpatient hospital treatment, call **1-800-528-7264**. BCBSTX is available 24 hours a day, seven days a week.

Your Coverage Depends on Your Specific Plan

Coverage for specific services will depend on your health care benefit program. Be sure to read your benefit booklet for detailed information about your health care benefit plan.

Controlling Costs

BCBSTX works to keep your doctor and hospital costs as low as possible. Our network representatives continue to build strong relationships with doctors and hospitals across the state, while negotiating the best rates possible for our members.

A3. How Blue Cross and Blue Shield of Texas Chooses Providers for Its Networks

How BCBSTX Chooses Providers

We check the locations of all health providers in our networks to make sure our members have access to in-network providers. It's important to verify benefits of each network. This includes the networks for the following plans:

- Blue Choice PPOSM
- Blue Advantage HMOSM
- Blue Advantage PlusSM HMO
- Blue Cross Medicare Advantage (PPO)SM
- Blue Cross Medicare Advantage (HMO)SM
- Blue EssentialsSM
- HealthSelect of Texas[®]
- Blue PremierSM
- Blue Premier AccessSM
- MyBlue HealthSM
- Blue High Performance Network Texas[®] (BlueHPN[®])

BCBSTX wants to ensure providers are available and accessible to members. We may use member experience, quality or cost-related measures to choose providers for some of our networks.

Medical and Facility-Based Providers

BCBSTX makes every effort to contract with Facility-Based Providers that routinely provide services at Blue Choice PPO network facilities.

In-network providers offer service for the following specialties*.

Allergy/Immunology	Internal Medicine	Orthopedic Surgery
Cardiology	Infectious Disease	ENT/Otolaryngology
Cardiothoracic Surgery	Nephrology	Pediatrics
Chiropractor	Neurology	Physiatry/Rehabilitative
Dermatology	Neurosurgery	Plastic Surgery
Endocrinology	Obstetrics & Gynecology	Podiatry
Family Practice	Oncology	Pulmonary
Gastroenterology	Oncology/Radiation	Rheumatology
General Practice	Ophthalmology	Urology
General Surgery	Orthopedics	Vascular Surgery

Behavioral Health

These in-network providers offer service for the following:

- Psychiatry
- Licensed Counseling, including Clinical Counseling and Marriage and Family Therapy
- Clinical Psychology
- Licensed Clinical Social Work

***This is not a complete list of provider specialties.**

List of doctors

You can get a directory of doctors, facilities, and other health care providers that are in your plan's network online at **www.bcbstx.com** or by calling **1-800-521-2227**. If you used your health plan's directory to pick an in-network doctor or facility and the doctor or facility turns out to be out-of-network, you may not have to pay the extra cost that out-of-network doctors and facilities charge.

Your BCBSTX plan may use a tiered network. BCBSTX may place providers into tiers, such as:

- Tier 1: Members get the highest level of benefits and pay the lowest out-of-pocket costs
- Tier 2: Members get a reduced level of benefits and pay higher out-of-pocket costs

Health Care Bills

If you want to see a doctor or facility that isn't in your plan's network (called "out-of-network"), you can still do so. You'll probably get a bill and have to pay the amount your health plan doesn't pay.

If you got health care from a doctor that was out-of-network when you were at an in-network facility, and you didn't pick the doctor or facility, you won't have to pay more than your regular copay, coinsurance, and deductible. Protections also apply if you received emergency care at an out-of-network facility or lab work or imaging in connection with in-network care.

If you get a bill for more than you're expecting, contact your health plan. Learn more about how you're protected from surprise medical bills at **www.tdi.texas.gov**.

How BCBSTX Chooses Hospitals

We check the locations of all hospitals in our networks to make sure our members have access to in-network hospitals. It's important to verify benefits of each network. This includes the networks for the following plans:

- Blue Choice PPO
- Blue Advantage HMO
- Blue Advantage Plus HMO
- Blue Cross Medicare Advantage (PPO)
- Blue Cross Medicare Advantage (HMO)
- Blue Essentials
- HealthSelect of Texas
- Blue Premier
- Blue Premier Access
- MyBlue Health
- BlueHPN

BCBSTX wants to ensure hospitals are available and accessible to members. We may use member experience, quality or cost-related measures to choose hospitals for some of our networks.
